From

The Excise Commissioner

To,

The Revenue Secretary to the
Government of Mysore.

Sir,

In reply to your Official Memorandum No. 859, dated 25th October 1895, I have the honor to state that the result of enquiry into the claim of the Jodidar of Koppavar-halli, Srinivaspur Sub-Taluk, to Excise Revenue on Toddy, has been reported upon by the Deputy Commissioner, Kolar District, but it has not been submitted to Government pending final orders which the Dewan promised to issue on the general questions involved in regard to all Inam and Kayemgutta villages generally.

2. The above Inam village contains
date

date trees but no Toddy shops.
The Title Deed produced by the Inamdar, contains no specific provision that Abkari Revenue was conceded to him. There being some date trees in his village, he seems to have leased them from time to time for Toddy, as the holders of assessed Government lands do; and in proof of the trees having been so leased, he has produced some documents. The Deputy Commissioner states "As the Inamdar has not proved his title to the Toddy Revenue, I do not think he is entitled to any other than the mere rent of the trees minus the proportionate cost of supervision." I concur with the Deputy Commissioner. The local cess, duty on Toddy and proportionate establishment being deducted (on the principle of calculation reported in my letter No. $\frac{3735}{369}$, dated 28th April 1894) from the total amounts realized at the auction sales, the balance may be paid to

to the said Jodidar as rent for
his ownership of the date trees

3. The Petition is herewith returned

I have the honor to be,
Sir.
Your most obedient servant.

Excise Commissioner

The Inamdars in the Kolar District do not seem to have been paid the advances sanctioned by Government. Please see the Excise Commr's letter No 3220 & 239 dated 19th December 1896 requesting early orders on the several questions.
